29th September 2017

Dear Parents / Guardians

Attendance winners

Well done to Class 2 our attendance winners this week with 99 % attendance this week. As we get well underway into term one can we please remind you of the importance of being in school every day. It is a fact that children who attend school regularly make great progress.

Our academy councilors have been very busy collecting the views of their classmates to find out the sorts of prizes that pupils would like to see in our bank of prizes to be awarded to the winner of the 100% termly attendance award.

Football Tournament

Pupils from Classes 3 and 5 went along to The Beacon Primary to take part in a football tournament this week, Well done to all players, super effort!

Reading Eggs

Reading is an incredibly important life skill and it is very important that we work together to help the children to be confident, able readers who enjoy reading.

We have purchased a new reading programme that can be accessed at home. This means that your child can take part in extra reading using this online facility. Your child will have brought home login details which will open up a range of books for your child.

Please see the reverse for further information.

Harvest Festival - Thursday 5th October

We will be walking to the St Peter and Paul's Church on Thursday to join Reverend Richard for our Harvest Festival.

If you would like to donate any tins or dried good for the children to take along to the church that would be wonderful. All food will be donated to the local food store based at the Store House in Skegness

Unfortunately due to the lack of space in the church we cannot open up the event to parents and carers. If you do not wish your child to take part please let your child's class teacher know.

Phonics workshop

Wednesday October 4th - Parents are invited to come along to learn a little bit more about phonics and how it supports your child's reading. You will then have the opportunity to join your child in class to take part in phonic activities,

Kind regards

P. Maycock

Learning to read is one of the most important skills your child will learn.

Reading Eggs supports each child's learning by offering individual, one-on-one lessons. These online lessons allow your child to progress at their own rate.

And the best part is that children love it. The programme **makes learning to read fun and highly motivating for children aged 2 to 13 years** - nurturing a lifelong love of reading, straight from the family home.

You've been there to celebrate their first words and first steps. Now see your child learn to read their very first book with Reading Eggs.

Reading Eggs is the multi-award winning reading programme for ages 2-13, which uses scientific research to help your child learn to read.

Reading Eggs is designed by experts to make learning to read easy and fun for young kids.

The programme includes **one-on-one lessons** that **match your child's ability** and feature **fun characters, wonderful songs** and **interactive animations**.

Your child will feel motivated to learn with **exciting rewards** and enjoy **over 2500 beautifully illustrated e-books**.

Please help your child to login and discover the wonderful range of reading held within Reading Eggs.

Well done to our **Legendary Readers** who this week have been rewarded with a special book of their choice for their efforts in reading.

We will be awarding further prizes to identified amazing readers during celebration assemblies. Please try and help your child to be a reader and join them with their reading in their home/school reading book and with the online Reading Eggs!
