**Dear Mums, Dads, Grandmas, Granddads, Uncles, Aunties and all Family Cake Bakers**

**On Friday the 20<sup>th</sup> of October 2017 at 9.10am we will be holding a Macmillan coffee morning for all adults and children. Just come along to the main reception.**

**It is all about getting together for a nibble and a natter and of course there will be cakes, tea and coffee. You can also get juice for your children.**

**Can we kindly ask for your help with cakes? We are going to be making cakes in school but we need more help from you. You could make cakes with your child at home or buy some from the shop.**

**There will be different sorts of games for everyone:**

- Guess the world's tallest cake – we have a photo of a cake tower, you pay £1 and guess how tall it is in centimeters. If you win you can get half the money.**
- Cake bingo- - You pay a £1 for a go on cake bingo, you get a bingo card and if you win you get half the money.**

**All of this will be hosted in the school hall.**

**We look forward to seeing you eating cakes.**

**Blake and Izzy and the School Council**
