IMPORTANT NOTICE

An Important Reminder

As you are aware we have in school a young person with a severe nut allergy. For this reason we ask that nuts in any form are not brought into school. This includes nut products such as Nutella and Buenno Bars. I know you will appreciate the importance of this and I thank you for your help and support in keeping children safe.

Year 2 have had a wonderful time today at the annual dance festival, hosted by Skegness Academy.

Following an audience with 'The Graffiti Classics' at Louth Riverhead Theatre last Friday a group of children from KS2 who attended this performance are now taking part in weekly music sessions to develop their musical knowledge and experience. These workshops will culminate in a performance for the whole school later in the year. Certainly something to look forward to! More details will follow.

Earrings in PE

Please make sure you know when your child has PE by asking the teacher so that you can remind your child to remove their earrings. Earrings are not to be worn in PE for health and safety reasons.
