7th January 2019

Dear Parents / Guardians

Welcome Back to Term 3 and a Happy New Year

Dates for your Diary

Blue Whales - Wednesday 9th January - Trip to The International Bomber Command Centre in Lincoln as part of their topic WW11.

Blue Whales - Swimming will resume on Monday 28th January.

This late start is due to refurbishments taking place at the pool during January.

Celebration Assembly - 18th January

School Closures

As you all know, last year saw extreme weather conditions during term 3 and the academy had to close for three days. This was unheard of and took us all by surprise with just how severe the snow was. As with all experiences, we learn from them and as we enter the time of year when snow is possible I want to ensure we are all prepared. With that in mind, please see below for information on where you will find information on any closures and where the children will be able to find any homework they can complete whilst school is closed.

Closures will be announced on the day via;

- The radio at Lincs FM
- The school website at <http://www.ingoldmellsacademy.org/>
- Twitter - simply search Ingoldmells Academy
- Xpressions -

Any homework for classes will be able to be found on the website simply by going to the Pupils page and scrolling down to find your particular class.

Whenever possible we will always endeavor to announce closures the night before, however as you know the weather is very unpredictable and we do not want to close unnecessarily.

School closures are not common and any decision to close the academy is only ever made as a last resort when it is felt the health and safety of children and adults will be put at risk.

Reading Eggs - This is a great resource we have subscribed to so that your children can continue to read at home in a fun and engaging way. All children have their own login. If your child has not used Reading Eggs at home recently please check they have their logins. If they do not please speak to the class teacher who will be happy to help.

Online Safety - With new tablets and mobile phones received over Christmas, please make sure that your child is using the internet safely and that all parental control are in place on all

devices. If you are in any doubt, simply take your device along to the O2 shop in Skegness and Oz will be happy to help you put the correct settings in place, totally free of charge. O2 work in partnership with the NSPCC to keep children safe online. The internet is a wonderful, yet unfortunately, dangerous place, so please help your child to stay safe online.

Kind Regards

Mrs. P. Maycock
(Principal)

Work Hard Be Kind
