

Literacy

In literacy, we will be finishing off our work on Street Child, which tells the story of an orphan boy in Victorian London.

We will then move on to writing formal letters in different scenarios and learn about using personification through poetry.

This term we are also going to learn how to add semi colons and colons to our work and to identify and use modal verbs.

P.E this term will be on **Monday** - we will be swimming as well as doing basketball.

Science

This term our topic will be properties and changes of materials. This is a very practical topic as we investigate the properties of different materials including dissolving, conducting electricity, and magnetism.

Tiger Sharks Spring Term 2019

Our topic this term is:
**Crime and
Punishment**

**Miss Kirby and
Mrs Robertson**

There will also be an R.E focus this term looking at the resurrection as we move towards Easter.

In PSHE we will be thinking about how we are similar and how we are different and valuing those differences.

Maths

In maths, we will continue working with fractions, moving on to converting them into decimals and percentages.

We will also be looking at problem solving using money, rounding to the nearest pound and converting from pounds into pennies.

Each afternoon, we will include a maths blast to revisit and recap on areas already covered including the four main operations.

Topic

In topic, we will be focusing on British geography, including the four countries that make up the UK and looking at both human and physical features of these countries.

We will continue with our art project on Claude Monet including creating our own 'Bridge over the waterlilies'

Tiger Sharks

Home Challenge - Term 4

Last term we began a project on the famous artist Claude Monet. So far we have researched his life, learnt about his painting 'Houses of Parliament' and mixed our own colours for a colour wheel.

Your challenge is produce another piece of work for our scrapbooks.

You might decide to;

- recreate one of his paintings
- create a factfile about one of his paintings
- draw a portrait of Claude Monet
- research other impressionist painters

Or anything you fancy, it's up to you!

All pieces must be in school by

Monday 18th March.
