

INGOLDMELLS ACADEMY

This leaflet is the fourth in a series of leaflets being sent home each week. They aim to help you to help your child with their reading and also to explain how, as an academy we teach and encourage reading.

How can I help my child to understand what they have read?

Below are some simple comprehension questions which you could use with your child when you read together.

What do you think is happening ... (in a part of the story)?

Through whose eyes is the story being told?

Which part of the story best describes where the story is set?

Which part of the story do you like best?

What are the main events in the story?

How does the story end?

Can you describe what one of the main characters looks like?

Can you describe how the main character behaves?
