

Literacy

In literacy, we will begin by recapping many of the basics of punctuation, grammar and spelling patterns.

We will then focus on the features of information text and write our own information text about Tiger Sharks.

We will look at writing our own narrative using the story 'The boy in the dress' for inspiration.

Finally we will try to persuade people to come to America using persuasive adverts and posters.

Science

This term our topic will be Animals including Humans. We will be learning about the human digestive system, looking at the structure and function of our teeth and how to prevent tooth decay.

Finally we will look at the different stages in food chains, and the roles of animals and plants in them.

Tiger Sharks Autumn Term 2018

Our topic this term is: **Voyage of Discovery**

Miss Kirby and Mrs Robertson

P.E this term will be on **Monday** and **Thursday**.

Please make sure your indoor and outdoor kit is in school, as we will be going out whenever possible.

Maths

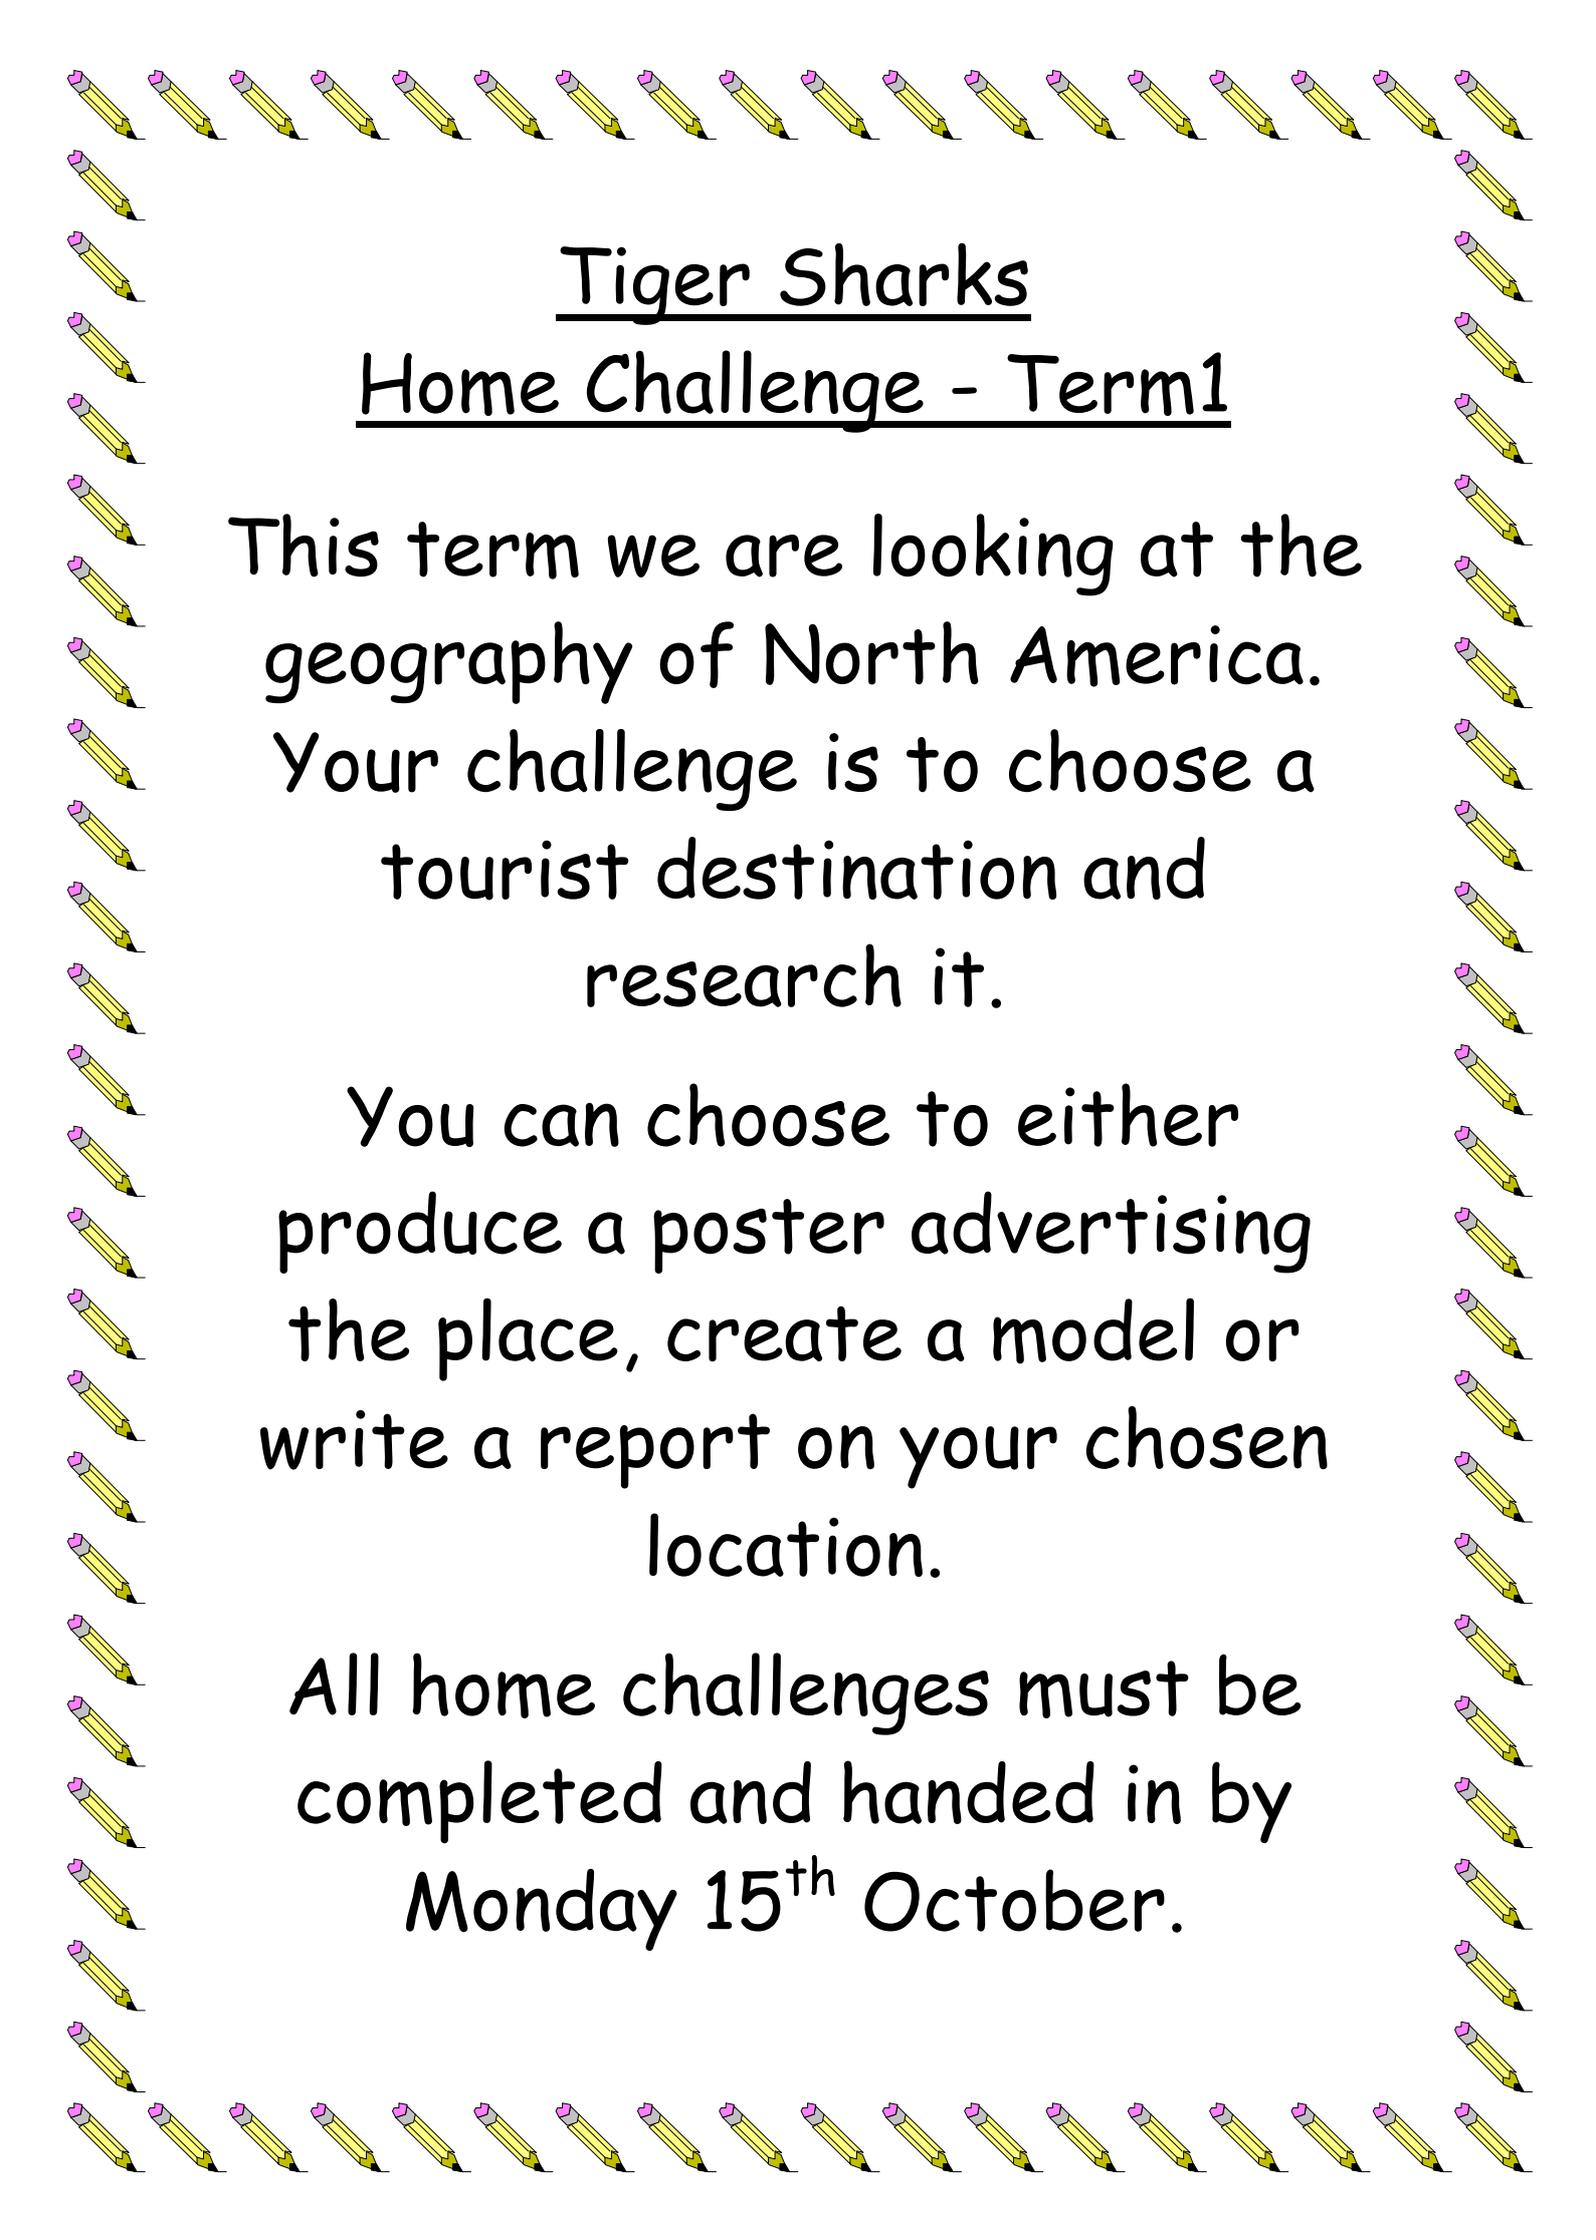

In maths, we will be extending our knowledge of number and place value to include increasingly larger numbers and negative numbers. We will be ordering and rounding numbers before we move on to look at Roman Numerals, and written methods of addition and subtraction.

Each morning we will include a maths blast to focus on the four operations and increase our fluency with answering these questions.

Topic

In topic, we will be studying the geography of North America including both the physical and human features of geography.

In art we will look at the work of the famous American artist Andy Warhol, and have a go at reproducing our own version of his work.

Tiger Sharks

Home Challenge - Term1

This term we are looking at the geography of North America. Your challenge is to choose a tourist destination and research it.

You can choose to either produce a poster advertising the place, create a model or write a report on your chosen location.

All home challenges must be completed and handed in by Monday 15th October.
