

## 29.1.26 IMPORTANT INFORMATION REGARDING POSSIBLE SCHOOL CLOSURE

Dear Parents and Carers,

We are writing to inform you of a situation that may affect the opening of the school tomorrow, **Friday 30th January**.

There is currently a significant drainage issue on the housing estate, which is impacting the school's toilet and sanitation facilities. **Anglian Water have been notified and are aware of the problem**, and they have advised that a team will be on site within the next **24 hours** to work on clearing the blockage.

However, if Anglian Water have **not arrived and begun work by 7:00am tomorrow**, we will unfortunately have no choice but to close the school. Without functioning toilets and adequate sanitation, the site cannot operate safely.

We understand the inconvenience this may cause and will keep you updated as early as possible in the morning. Please check your usual communication channels for further information.

Thank you for your understanding and cooperation.

Kind regards,
