

30.1.26 SCHOOL CLOSURE DUE TO ONGOING DRAIN ISSUE

Dear Parents and Carers,

We are writing to update you regarding the ongoing drainage issue affecting the school site.

Unfortunately, due to the blocked drains on the surrounding housing estate, our toilet and sanitation facilities remain unavailable. As a result, the school will be closed on Friday 30th January. This decision has been made to ensure the health and safety of all pupils and staff.

Anglian Water are aware of the problem and will be attending to resolve the blockage. We are expecting the issue to be fixed shortly, and therefore we anticipate that school will reopen as normal on Monday 2nd February.

During the closure, children can continue their learning at home, there will be further information about remote learning will sent to you from your child's class teacher.

We encourage pupils to access these platforms to keep their learning progressing. We apologise for the disruption this may cause and thank you for your understanding and cooperation.

Please continue to check your usual communication channels for any further updates. If you wish to contact school please email admin@ingoldmellsacademy.org

Kind regards,
Ingoldmells Academy
