School Closed and Remote Learning

Dear Parents/Carers,

I hope this message finds you well. I am writing to share with you some remote learning activities that will support your child in engaging with their education while the school is closed. It is important that we continue to foster their educational development during this time, and your involvement will be invaluable in helping them stay on track.

To assist with this, I have listed some learning activities that can be completed at home. Please find below the suggested tasks and/or online links for your child to work on today:

Do some research about Ancient Egyptians

We understand that this situation may present challenges, and we appreciate your efforts in facilitating your child's learning at home.

Thank you for your continued support and cooperation. We look forward to seeing your children back in school soon.

Kind regards,

Mrs Worthington
