School Closed and Remote Learning

Dear Parents/Carers,

I hope this message finds you well. I am writing to share with you some remote learning activities that will support your child in engaging with their education while the school is closed. It is important that we continue to foster their educational development during this time, and your involvement will be invaluable in helping them stay on track.

To assist with this, I have listed some learning activities that can be completed at home. Please find below the suggested tasks and/or online links for your child to work on today:

[Learning to Count up to 15 with Teddy Numbers Interactive Maths Game](#) – This game can be adapted to your child's level. We have been focusing on number to 5 with Nursery aged children and 10 for Reception aged.

[Buried Treasure](#) – Reception aged children Please select Phase 2.

[Welcome To The Zoo](#) – Nursery aged children – guess the animal from the sound.

We have also been learning about different birds in our local area through the BBC bird watch. It would be great to take a walk to find the birds that are in our local area. Alternatively, we are learning about the village of Ingoldmells next week. Can you find the landmarks named below on a walk of the area?

- Village Hall
- Tesco
- Café
- Fantasy Island
- Park
- Church

It would be great if you could upload any pictures to your child's tapestry account and we can share these when we return to school.

We understand that this situation may present challenges, and we appreciate your efforts in facilitating your child's learning at home.

Thank you for your continued support and cooperation. We look forward to seeing your children back in school soon.

Kind regards,

Miss Pettit

The Ingoldmells Academy is part of the Greenwood Academies Trust

The Greenwood Academies Trust is a company limited by guarantee, registered in England and Wales, registered number 06864339.
