

English

We will explore stories all about animals to learn about rhyming words, sentence types and punctuation. We are focusing on improving our writing by self-editing and checking our spellings. We will also be learning how to write letters.

Music

We will learn about rhythm, pitch and dynamics by listening to music and making our own.

Maths

We are continuing to develop our addition and subtraction skills using different methods. We will also learn about 2D and 3D shapes as well as counting in 2s, 5s and 10s. We will keep practising counting fluently and forming numbers correctly.

Science

We are continuing to explore "Animals Including Humans" with our focus this term on animals. We will be learning how to group animals into different types by looking at their characteristics. We will also find out about animals that live in different parts of the world.

Our theme this term is

Claws, Paws and Whiskers

Miss Chapman and Mrs Walker

We have PE on Monday and Musical Theatre on Friday. Please make sure kit is in school and earrings are not

Topic

In Geography we will be learning about hot and cold places. We will become more familiar with the world map and learn to locate the hottest and coldest areas. We will also look at animals that live in these areas.
