Dear Parent/Carer,

You are receiving this letter because your child is currently unable to come into Blue Whales class to learn. While we will miss having everybody all together with us, your child will still be able to access all of our learning and can communicate with us during lessons. There are many ways to take part in lessons and complete work, as long as you have an internet connection and a home computer/laptop or tablet device.

😊 Go to www.airhead.io

😊 Select Ingoldmells Academy from the list of schools, and enter your full login details including @ingoldmellsacademy.org at the end.

Example: Blue Whale would need to type whalb14.61@ingoldmellsacademy.org and then enter his/her password.

😊 On your launchpad, go onto Teams and then click on the Class Notebook tab to find today's work!

If you also have a device which has an App or Play store on it, you can download Teams, One Note and other programs to complete work just like in the classroom. Also, post messages that you want us to see on the group chat for Blue Whale and I will help you as much as I can.

We hope to see you back with us soon!

Kind regards,

N Mitchell
