Dear parents and carers,

If your child has to self-isolate for a period of time it is expected that they will need to access remote education in order for them to continue their learning at home. There are a number of ways for you to access the learning.

BBC Bitesize <https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons> provides many lessons which cover the subjects in the National Curriculum. The above link will take you to this terms Maths and English lessons which we will be covering in school.

It is so important that your child continues with their phonics learning while they are off school. Letters and Sounds for home and school will help keep their phonics and reading on track.

[https://www.youtube.com/channel/UCP\\_FbjYUP\\_UtldV2K\\_-niWw](https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw)

Also, they can continue their phonics learning by accessing Phonics Play which reinforces the sounds through fun games <https://www.phonicsplay.co.uk/>

We all know how important it is to keep reading. Try to get your child to read every day for at least 30 mins. Reading eggs is a great way to access lots of different texts. I will give them a reading task/assignment each day to complete.

<https://readingeggs.co.uk/> You have a copy of login details.

Your child could learn their spellings. Chose 5 words each day from the year1/year 2 Common Exception word lists and practice spelling them by writing them out and using look-cover-write-check to learn them.

your	some		even	hour	water	

Finally, The Oak National Academy has produced many lessons which cover all the subjects in the National Curriculum.

<https://classroom.thenational.academy/subjects-by-year/year-2>

If you would prefer, I can make up a booklet of Maths and English activities for your child to complete at home.

It is so important that you keep on learning as if you were at school.

Mrs S Hiatt  
Class Teacher
