Tuesday 7th September 2021

Dear Parent/Carer,

This is just a short note to inform you that, after sending a pupil home with COVID-19 symptoms yesterday morning, the PCR test has shown a positive result.

As a school we are following all of the current guidance provided by the government, which tells us that our classes and school remain OPEN and the pupil affected will need to complete their isolation for 10 days. No other staff or pupils need to isolate.

Your children need to continue to attend school as normal. It is really important that they do not miss out on any further learning.

As always, please keep an eye on your child – if they have any of the following symptoms, please keep them off school and make us aware:

- Continuous new cough
- High temperature
- Loss of taste/smell

If you have any further questions, please see the attached document that will help to answer these for you. You can also contact the school office if you have any further queries.

We look forward to seeing you all as normal tomorrow. These situations will arise from time to time, so we just need to continue to take the necessary precautions and continue with our daily activities.

Yours sincerely,

N Mitchell
C Wright

Mr N Mitchell – Head of School
Mrs C Wright – Executive Principal
