

Dear Parents and Carers,

## EXCITING Announcement!!!

### New School Meal Provider September 2025- Willoughby Foods Ltd

I am writing to inform you about an exciting change to our school meals service. From September 2025 we are pleased to announce that we will be partnering with Willoughby Foods Ltd as our new school meal provider. Willoughby Foods is committed to delivering high-quality, nutritious meals that cater to the diverse needs of all our pupils.

With this new system, in the not-so-distant future, you will receive an email containing your new login details for the Willoughby Foods ordering platform. This user-friendly system will allow you to order meals directly from Willoughby Foods, either on a weekly basis or for an ENTIRE TERM in advance.

### **VERY IMPORTANT:**

There will be a deadline for meal orders, which will now be at midnight on the previous Tuesday.  
From September all orders and queries will be dealt with Willoughby Foods directly **not the school office.**

For families eligible for Free School Meals, I would like to assure you that your child will continue to receive a free meal each day. For those whose children are not eligible for Free School Meals, the cost per meal will be £2.60.

### MAKING DINNERTIME food DELICIOUS and ENGAGING for children!

I am excited to share some details about the meals your child can expect. Our new menus will operate on a six-week cycle, offering a wide variety of options to ensure that there is **something different** for every day of the term. The menus are carefully crafted to maximise the use of seasonal produce, and all meal options include two courses.

Children will have the choice of four options daily: a meat dish OR a vegetarian option OR a jacket potato, OR a packed lunch. Additionally, fruit will be available every day!

Also, as an extra special treat, your child can look forward to a special 'Birthday Cupcake' on your child's birthday when a meal is booked.

### VERY IMPORTANT: ALLERGIES, INTOLERANCES and CULTURAL BELIEFS

We understand that some children may have specific dietary needs. If your child has a food allergy or intolerance, it is essential that you have access to the relevant information to make safe food choices. Therefore, it will be reassuring for you to know that when you are selecting meals for your child, you will be able to easily check for any of the 14 recognised allergens by clicking on the 'allergen box' associated with each dish.

It is the responsibility of parents and carers to ensure that the meals ordered are suitable for any allergies or intolerances your child may have.

We are really looking forward to this new collaboration with Willoughby Foods, and I'm confident that your children will enjoy the delicious meals available to them and the exciting "theme days" and visits from their mascot 'WilloughBee'. If you have any questions or need more information, please feel free to reach out.

Thank you for your continued support.
